For salaries, &c., in the office of the Public Printer .....	\$15,485 69

The following table is an exhibit of the disbursements of this office during the years 1863, '64, '65, '66, '67, '68, '69, '70, '71, '72, '73, '74, '75, '76, ending September 30, each year, for the nine months ending June 30, 1877, and for the fiscal years ending June 30, 1878, and 1879:

## THE CONGRESSIONAL RECORD.

Under the joint resolution of Congress approved June 20, 1874, the Congressional Printer is directed to keep a separate and exact account, in detail, of all expenditures for printing, mailing, and binding the Congressional Record, &c., and publish the amounts thus yearly expended in his next succeeding annual report, and each succeeding report, separately from the other disbursements of his office. This information is given in table No. 7.

The number of bound volumes of the Record for the third session of the Forty-fifth Congress is four, comprising 3,132 pages. The number of copies of each volume printed and bound is 7,500, aggregating 30,000 volumes. These have been disposed of as follows:

The number of copies of the Record authorized by law is 10,350, of which number 2,829 were delivered unbound to the orders of members of Congress.

## EXTENSION OF BUILDING.

Congress appropriated \$43,800 for the purpose of extending the Government Printing-Office building, to be done under the direction of Edward Clark, esq., Architect of the Capitol. In accordance with that authority, Mr. Clark erected, in the most substantial and satisfactory manner, a fire-proof extension of two parts, one 60 feet by 60 feet, the other 86 feet 6 inches by 53 feet 8 inches, with a corridor-connection with the old building 10 feet by 12 feet, the whole four stories high.

This will afford more room and greater facilities for the execution of the demands upon this office, which are growing greater each year.

The following tables will show the immense amount of work executed during the fiscal year ending June 30, 1879.

The first table shows the total number of blanks, pamphlets, and documents, blank-books, and miscellaneous volumes, printed and bound for the Executive Departments :
